

empowering people in care

#CareAware

Join The EPIC Care Community

A fun and friendly network of children and young people aged 13-26 living in care, or who have lived in care.

1

Make new friends and meet with other children and young people living in care, or who have care-experience in a inclusive and respectful space!

2

Join us for social events and take part in creative activities that members decide, like art, music, game nights, or photography.

3

Share your views and opinions to help other people understand what life in care is like for children and young people.

4

Explore and showcase your talents and learn new skills by working on projects and campaigns that interest you!

5

Have your voice heard by adults who make decisions about the care system and children who live in care.
